Tonopah	Doug R. Newton
Tucson	Robin Hinckley Rutherford
Verde River District	Ken Zoll
Williams	Neil Weintraub
Yuma	Helen Jill McCormick

The Regional Coordinator is a volunteer leadership position within the program. The State is divided into geographic regions. As of 2020, there are twenty-five (25) regions. Each region has a volunteer that stepped up to take on additional duties to ensure the success of the program. A RC handles the daily management of a region including assigning Stewards to sites to monitor, making sure all Stewards in their region have the proper documents to volunteer with various land managers and that Stewards are submitting their hours in the program's database. As a new Steward, you will be working closely with the RCs in the region(s) you choose to volunteer in. The RC from your Primary Region of choice will contact you within 30 days to work with you to schedule a training
